
This is the last time we will write to you *Unless...*

We can no longer afford to send out paper fliers like this one.

But we want you to know about what is going on.

There are three ways to keep in touch with what is going on in your Area.

1. Website

Visit our website at www.RSCMSouthwark.org.uk for the latest area information and details of what is happening.

2. Email

Register your email address with us (below) to get reminders of forthcoming events.

3. Church Music Quarterly

CMQ will include a new booklet called *The Network*, which will contain details of events in all Areas.

Email Registration

Complete the form below, send it to us, and we will add your address to our mailing list. We will only use it to give you information about the RSCM and will never pass it on to any third party. You can ask to be removed from the list at any time.

Please copy and distribute this form to anyone who may be interested in registering

I would like the RSCM to send me emails about its events and give permission for my details to be kept, under the terms of the Data Protection Act. I understand that these details will not be shared with any third party.
